By the war that Jesus won

For a kingdom yet to come

All you citizens of heaven

(V3)

**F C**  
For the one who's brokenhearted  
**G AM**  
And it's hard to sing this song  
**F C**  
'Cause you've been walking thru the valley  
**G AM**  
And your faith is feeling small  
**F C**  
I pray peace and love surround you  
**G AM**  
From the God who understands  
**F C**  
As the family all around you  
**G AM**  
Lifts your arms up when you can't  
**F C**  
Join the choir of creation  
**G AM**  
With the song of the redeemed  
**F**  
Oh Come On, Church  
**C Gsus G**  
Lift your voice and sing

(Chorus 2X)

**F G C**  
Praise the Lord, forever (2x)
